Head Teacher: Mr S Arnold

Friday 10th September 2021

Dear Parents/ Carers,

I am writing this letter to inform you about changes to home/school online learning platforms for this academic year and to promote existing subscriptions. Firstly, we have renewed our subscription to Active Learn for children to access 'Bug Club' to support their reading progress and we are continuing our partnership with 'Numbots' and 'Times Tables Rockstars' to support maths fluency and rapid recall of times tables facts. We would like to continue to encourage all children to access these platforms regularly to support and enhance their learning.

As a new innovation, following careful research of a wide range of home/school online learning platforms and discussions with children, we have taken the decision to set up a new whole school subscription to 'EdShed'. This platform will provide your child with access to maths sessions, homework and games through the 'MathShed' element, maths and literacy quizzes to consolidate and extend their learning through the 'Quizshed' and support the learning of new spellings through 'SpellingShed'. Homework challenges will be set by your child's class teacher with opportunities to earn rewards and celebrate achievements.

Class teachers have issued children with their individual log-in details this week. Using these details, we would like you to log on to each of the home/school online learning platforms with your child at your earliest convenience to familiarise yourselves, explore together and have fun! If you experience problems when logging in to any of the platforms, please let your child's class teacher know straight away so that they can sort out any issues immediately.

Thank you for your unwavering help and support working together with us to provide the very best opportunities for the children. Please do not hesitate to contact your child's class teacher or myself directly if you have any questions or queries.

Kind regards,

Mr. Lane
(Acting Deputy Headteacher).

From tiny acorns mighty oaks grow...
