

## Our Theme

Through our residential to Whitemoor Lakes and other activities, the children will be experiencing outdoor learning. They will be challenged to think about how to survive in the outdoors and look at great explorers and adventures such as Bear Grylls, Scott and Amundsen. We will be linking all our learning to the Great Outdoors and using the school environment as much as we can.

## English

We are using a creative approach to writing inspired by the Great Outdoors. Over the term, children will be exposed to many different types of genre including: narrative, instructions, persuasion and poetry, within both Reading and Writing.
